

## **RELIEF AND DELIVERANCE WILL RISE...**

“For if you keep silence at such time as this, relief and deliverance will rise for the Jews from another quarter” - (Esther 4:14)

### **INTRODUCTION**

Hope! This is the main theme of evangelism today. A church that brings hope wherever it is. A church that has hope before the world. The question is: are we really like this? Have we really assumed this responsibility? And are we still ready for that call?

### **A CALL FULL OF CHALLENGES!**

It is not easy to cope with life, and to proceed into the way which God calls us. Let's follow the story of Esther. The situation worsened in the palace. A law has been released to which the Jews would have no more hope. The prophet Jeremiah promised freedom after 70 years, but now they face a slaughter. Predictions get darker. Before such situation like this:

**1- It is a real challenge to still have confidence in the promise: Mordecai believed it: RELIEF AND DELIVERANCE WILL RISE!**

Mordecai believed that the deliverance is certain. God of salvation deserves our confidence. Like Abraham, he believed that the One who gave the promise is certain. So he dared to say that “ relief and deliverance will rise ...” .

A person who has a deep relationship with God will be filled with the Spirit. It's his promise: “I will put my spirit in you ...”- (Ezekiel 36: 27). And this Spirit will tell us the whole truth, as he said:

“When the Spirit of truth comes, he will guide you into all the truth; for he will not speak on his own authority, but whatever he hears he will speak, and he will declare to you the things that are to come.” - (John 16:13)

This Spirit will communicate with us, guide us and help us to have courage before God and before all people. He alone will enable us to have the courage to speak of the Hope within us.

“ But you shall receive power when the Holy Spirit has come upon you...” - (Acts 1: 8)

It is just why God's word encourages us in Ephesians 5: 17b. “Be filled with the Spirit! »

Before continuing challenge, all the problems going on around us, in the presence of moral degeneration which can not be described, before the world puzzled about the solution which should be taken, before great problems of life falling on everybody,

only those who have the Spirit, who have a deep relationship, who are FILLED WITH THE HOLY SPIRIT, can stand to bear witness and to preach with power the HOPE THAT THERE WILL BE RELIEF AND SALVATION!

## **2- It is a challenge to stand where God calls us:**

It is impossible to stand before the King without authorization. Death is the result of such boldness. That is why Esther said: "If I perish, I perish". What a courage! Can you imagine? How many of our young people have the courage to say: 'If I die, I die! I stand for the Lord, and if I die, I die. I have to be faithful to the Lord and if I am fired from school, I am fired. I stand faithful to Jesus and his Sabbath, when I am left by my friends it will not hurt me!

xxx

Great boldness to stand up to be faithful to Jesus. A challenge that means making all the good things, all the goods, which are considered by everyone else, to be profitable, may lose their jobs, lose their wives and children and may result in loss of life or death. It is not easy to consider how to deal with it. Not only just the mouth speaks. But the truth is not only the mind is considered to be strong and be strong.

Do you think that only a strong-minded enough to deal with Daniel's three companions of the blazing furnace. Do you think that only a strong-minded enough to deal with Daniel's den of the lion and the forfeiture of them in the state? Do you think that only decisive and strong-minded Joseph's devotion to God, but because it simply because nahaandevu and yet he landed in prison.

Not only weak power of imagination. It must be the Spirit of God within you and that they were able to stand and led them to the testimony of the faithful. There must be a deeper relationship with God. And what would that be confidential?

## **3- most sexually challenged the call to prayer!**

Go, gather together all the Jews that are present in Shushan, and fast for me, and neither eat nor drink three days, night or day; I and my maids will fast likewise, and I will go to the king, which is not according to the law; and if I die, I die. (Esther 4: 16).

Gather all the Jews fast for me ... The good news is that religion! challenge to continue to pray even though we face! But religion is the solution for everything.

The practice was the only one who can unite and take in relationships. After kneeling together, eyes closed, and focus on Jesus's mind during the prayer they forget all their differences, as one of us, and all we are united as one. It is achieved: that all may be one!

The practice is only able to provide effective communication. Prayer and Fasting. In prayer we are connected to a relationship with Jesus! In this type of prayer, we open our hearts to hear the cries of others, sympathizes with them and have compassion and seek help through prayer! In prayer there enlargement and deliverance arise!

In common prayer in union we all pray that God gives strength to appear before the trial. Find favor in the eyes of all people, have the ability to connect all like Esther.

In short, the female sex, and relationships (interview with King) is a change in the Jewish people. When we are filled with the Holy Spirit, the clouds will be lowered in the sky when we arrived in Jerusalem because of the prayers we shall there enlargement and deliverance arise! and that is the hope of being invited to preach. Today: WILL deliverance arise if we accept the spirit, if we unite our voices and our hearts in prayer and intimacy with Him!
